

# TRUECHART 4JEDOX

Jedox unifies and simplifies planning. TRUECHART enables all Jedox users in your company to benefit from the most powerful data collaboration solution.

We at TRUECHART believe that planning nowadays is an essential factor for successful businesses. Our goal was to pave the way for integrating a visual standard into Jedox by extending our portfolio and showing our cross-platform capabilities.

With TRUECHART4JEDOX standardized visualizations and collaboration found their way into the world-class planning tool.
